## WISE-GRIP 6LC™ Locking Pliers

### Small Tool...BIG Jobs!

The compact VISE-GRIP 6LC locking pliers can handle many of the jobs normally reserved for larger tools. The larger jaws grip around work of all shapes including pipe up to 1-1/2" in diameter.

Designed with professionals and DIYers in mind, the lightweight pocket size tool has a built in wire cutter and is perfect for the kitchen drawer, glove box, tackle box or toolbox. The VISE-GRIP 6LC pliers is forged for strength in the USA, and made to the same standards of design, materials and workmanship for which all VISE-GRIP tools are known.
